Subject: Approval of Amended Notice of Intention to Commence Large Mining Operations, North Grantsville Quarry, M/045/0077, Tooele County, Utah

Dear Mr. Sumsion:

The Division of Oil, Gas and Mining approves the amended Notice of Intention to Commence Large Mining Operations (NOI) for the North Grantsville quarry which was received February 29, 2016. The approval of a complete NOI does not relieve an operator from his responsibility to comply with the applicable statutes, rules, regulations, and ordinances of all local, state and federal agencies with jurisdiction over any aspect of the operator's mining operations. Enclosed please find a copy of the approved amendment.

The reclamation cost estimate has been reduced. The new amount required is \$851,000. Please contact Penny Berry at 801-538-5291 or pennyberry@utah.gov to obtain the appropriate forms to request a reduction in the surety amount.

Thank you for your cooperation and patience in completing this permitting process. If you have any questions regarding this letter, please contact Leslie Heppler at 801-538-5257.

Sincerely,

Paul Baker  
Minerals Program Manager
